COUNTY COURT.

At an adjourned term of county court this week the following business was transacted:

Dramshop licenses were granted to Sam Doss, Carter Ashlock, John Vallo, Joseph Smith and F. B. Romine.

Petition of E. F. Hill and W. J. Smith for dramshop license was rejected on account of similarity of handwriting, causing court to believe that many names on same were unauthorized.

The contract for steel iron bridge was let to Joliet Bridge Iron Company for \$3,190, theirs being the lowest bid. Four other companies submitted bids, varying from \$3,315 to \$3,624.

All bids for approaches to bridge were rejected and Commissioner Seasinghaus instructed to readvertise for bids to be opened on Monday, July 23, changing width of fill from 14 to 16 feet with fence.

The court appropriated \$4,200 for construction of bridge and approaches and instructed Commissioner Seasinghaus to enter into contract with Joliet Bridge Company for construction of steel iron bridge and abutments at cost of \$3,190.

On application of P. S. Cole, present owner of 320 acres n.e. sec. 26, twp. 30, range 4 east, court directs the collector, on payment of taxes of 17 1/2 on said tract, to satisfy record for previous years for which taxes are due.

The clerk was instructed to call attention of road boards to law authorizing them to fill vacancies, and the duty of the court to fill such vacancies if the road boards fail to do so. The road districts in which there are vacancies are Nos. 27, 29, 61 and 63.

C. R. Fowler was appointed supervisor of rock road on French Village and Bonne Terre road.

Warrants were issued for \$6.00 for support of Prentiss Mitchell and \$8.00 for support of Charley Harris, both colored.

W. M. Smith presented treasurer's receipt for \$56.25 subscribed for improvement of Libertyville road from Morgan farm east, and court appropriated a like amount for same purpose. Judge Smith was appointed supervisor.

John W. Russell filed settlement as road overseer, which was approved.

T. B. Chandler filed treasurer's receipt for \$104.50 subscribed for improvement of St. Mary's road, and court appropriated a like amount for same purpose. W. M. Smith was appointed supervisor.

The court accepted the offer of Mr. Gibson of \$25 for old iron bridge in Big River.

On account of the decision of the Supreme Court declaring article ten, amendment to the constitution, null and void, thus depriving the county road fund of an annual income of about \$3,500, of which all was available for meeting subscriptions and buying road machinery, and having already appropriated all the county road fund available up to Nov. 1906, the court therefore deems it proper to inform all interested that no more appropriations for road improvement during 1906 will be made except those already contracted for.

Ayer's

Why is it that Ayer's Hair Vigor does so many remarkable things? Because it is a hair food. It feeds the hair, puts new life into it. The hair

Hair Vigor

cannot keep from growing. And gradually all the dark, rich color of early life comes back to gray hair.

When I first used Ayer's Hair Vigor my hair was about all gone. But now it is thick and grows as fast as I could wish it to. Mrs. Sarah M. Thompson, Farmington, Mo.
